Re: Lakes Region Water Company  
Docket No. 10-141

Dear Ms. Howland:

I am writing to again request an extension of time to present an updated procedural schedule to the Commission. We request an extension until September 16, 2011. The parties are planning to have a meeting in late August to continue discussing the potential for an agreement that seeks to resolve the issues facing the Company, and the parties remain committed to that process. We believe an extension until September 16, 2011 is necessary to allow this process to continue and to allow all parties the opportunity to fully consider the complex issues involved.

Thank you for your kind assistance.

Sincerely,

Donald C. Crandlemire
