New Hampshire Public Utilities Commission
Debra Howland, Executive Director
21 South Fruit Street, Suite 10
Concord, New Hampshire 03301-2429

Dear Executive Director,

Please accept this letter as a request for a waiver of rule Puc 2003.05(a) pursuant to Puc 201.05 in connection with Energy Professionals, LLC's application for renewal of our registration required as an Electricity Aggregator/Broker in the State of New Hampshire, which was received by the Commission less than sixty (60) days prior to the expiration date of our current license.

Energy Professionals, LLC hereby submits that the reason for the tardiness of the submission of the renewal application is mere administrative error. The failure to meet the deadline for filing was simple oversight. Therefore, Energy Professionals, LLC hereby respectfully requests a waiver of administrative rule Puc 2003.05(a), which requires the application be filed at least 60 days prior to the expiration of the current registration.

Respectfully submitted,

ENERGY PROFESSIONALS, LLC
