Dear Ms. Bernstein:

You and Mr. Andrew Hall of our office corresponded recently in connection with a request by your office for a notarized attestation letter and incumbency certificate in connection with reinstating 88 RECs in the NEPOOL GIS. Mr. Hall is currently away on vacation and we didn't want to delay providing the documents you requested. As such, we've attached a PDF copy of the notarized attestation letter and incumbency certificate. Originals have been mailed to the attention of Ms. Debra Howland, Executive Director of NHPUC, and should arrive in Concord within a few days. We trust that this now completes this matter. Please contact me or Mr. Hall should you have any further questions.

Best Regards,

**Zoltan Nagy-Kovacs**  
Senior Counsel
