RE: DE 12-241 Electric Assistance Program

Dear Ms. Howland:

The Final Audit Report of the 2012-2013 Electric Assistance Program (EAP) year included some recommended updates to three of the EAP procedures manuals, the Fiscal Procedures Manual, the Utility Procedures Manual and the CAA Procedures Manual. The EAP Advisory Board has made the recommended changes to those three manuals and is providing updated manuals to the Commission for reference.

The EAP Advisory Board undertook a review of the Monitoring and Evaluation Procedures Manual during the 2012-2013 EAP year and has made changes to the procedures manual to reflect the current monitoring and evaluation practices. An updated Monitoring and Evaluation Procedures Manual is being provided as well.

Should you have any questions, please feel free to contact me or any other EAP Advisory Board member.

Sincerely,

A handwritten signature in blue ink that reads "Amanda O. Noonan".

Amanda O. Noonan
On behalf of the EAP Advisory Board
