Dear Ms. Wirth,

Thank you for your letter received March 7, 2012 regarding the installation of new meters by New Hampshire Electric Cooperative and your concerns regarding those meters. The issues you raised in your letter to the Commission are the subject of a lawsuit filed in Grafton County Superior Court.

The Grafton County Superior Court heard testimony on this matter on February 24, 2012, and a determination from the Court is pending. As the matter is pending before the Court, the Commission will await the Court's determination.

Sincerely,

A handwritten signature in blue ink that reads "Amanda O. Noonan".
