Re: Docket No. DE 12-262 CORE Energy Efficiency Program  
Unitil's Combined Heat and Power Pilot Measure  
Request for an Extension of the Deadline to Respond

Dear Ms. Howland:

In the 2013-2014 Core Program filing in Docket DE 12-262, Unitil Energy Systems (UES) proposed a Combined Heat and Power (CHP) pilot measure. The December 14, 2012 Settlement Agreement in Docket DE 12-262, approved in Order No. 25,462 (Feb. 1, 2013) states that by April 30, 2013 UES will determine whether it intends to seek Commission approval of the proposed pilot. Staff and the parties have participated in substantive discussions, including a presentation by UES staff on March 22, 2013 and informal written discovery regarding the proposal. Staff and the parties seek a two week extension, until May 14, 2013, to allow discussions to conclude.

Thank you in advance for your consideration of this extension request.

Sincerely,

*Marcia A. Brown*
