(1) Note- November Rate Per Therm for C\&l is derived by blending old rate of $\$ 0.0126$ and new approved rate of $\$ 0.0118$.
2) Note-November Rate Per Therm for Residential is derived by blending old rate of $\$ 0.0333$ and new approved rate of $\$ 0.0403$
"Note-The November Interest @ Prime Rate includes a true-up for the gas year 2011.
