**Re: DE 12-262; CORE Energy Efficiency Programs Third Quarter 2014 Report**

Dear Director Howland:

Enclosed for filing with the Commission are four copies of the Third Quarter 2014 Report for the CORE Energy Efficiency Programs containing results for all the electric and natural gas utilities. In 2014, a working group was established with the intent of increasing the level of program information content in the quarterly report, while reducing the absolute length of the report. The electric and natural gas utilities would like to thank the Commission's Staff and The Jordan Institute, and The Way Home for their input which resulted in an improved quarterly reporting format. A copy of this report was made available electronically to the Commission and all parties on November 27, 2014. PSNH is filing four copies consistent with the ruling of the Commission in Order No. 25,462 (February 1, 2013).

Please let us know if you need any additional hard copies of this filing or if there are any questions concerning this filing.

Very truly yours,

Matthew J. Fossum
