Re: Docket 2013-00163; Petition for Certification of Hopkinton Hydro Project as a Maine RPS Class I Renewable Resource or, Alternatively, a 42.75% Maine RPS Class I Renewable Resource and a 57.25% Maine RPS Class II Renewable Resource (the "Petition")

Dear Mr. Lanphear:

Per an information request issued by Commission Advisors on August 15, 2013 for Contoocook Hydro, LLC's Petition to certify its Hopkinton Hydro Project (the "Facility") as a Maine Class I Renewable Resource ("Information Request"), I, William P. Short III, hereby submit to the Maine Public Utilities Commission (the "Commission") for its review and consideration the attached answers (the "Answer"). The answer to the seventh information request contains confidential generation information for the Facility. We request confidential treatment of this information under the Protective Order previously issued in this proceeding.

Dear Ms. Geraghty:

Per a protective order issued by the Presiding Officer for Contoocook Hydro, LLC's petition to certify its Hopkinton Hydro Project (the "Facility") as a Maine Class I Renewable Resource ("Protective Order"), I, William P. Short III, hereby submit to the Maine Public Utilities Commission (the "Commission") for its review and consideration the following:

- (1) The Facility's detailed list of its costs and expenditures of the refurbishments performed after May 2008 through September 2012; and
- (2) Analysis of the Facility's Hydro-electric Dam Efficiency (1995-2011)
