RE: DE 12-291 and DE 12-292, Public Service Company of New Hampshire
2013 Energy Service Rate and Stranded Cost Recovery Charge
Updated Exhibits and Response to Record Request

Dear Ms. Howland:

On December 18, 2012, the Commission held hearings in the above-captioned dockets relating to Public Service Company of New Hampshire's ("PSNH") proposed Stranded Cost Recovery Charge ("SCRC") and Energy Service ("ES") rate. As part of those hearings, PSNH agreed to provide certain updates to exhibits and a response to a record request from the Commission. Accordingly, please find enclosed with this letter:

1. In Docket No. DE 12-291: Revised Attachment RAB-1, Page 1 to the Technical Statement filed December 12, 2012 and entered as Exhibit 2 in the docket. The revised attachment shows the amendment to the SCRC rate necessary to eliminate conflict with RSA 369-B:3, II, RSA 369-B:4, II, and Commission Order No. 23,550, relative to PSNH's rate reduction bonds.
2. In Docket No. DE 12-292: Revised Exhibit 3, Expanded Bingo Sheet. The revised exhibit incorporates the amendment to the SCRC rate from item 1, above, and revises the resulting revenue impact from that amendment.
3. In Docket No. DE 12-292: Exhibit 6, Response to Record Request. In response to the Commission's request, PSNH provides an affidavit from Terrance J. Large, PSNH's Director of Business Planning and Customer Support Services confirming the conformity

of PSNH's requests in DE 12-291 and DE 12-292 with PSNH's Least Cost Integrated Resource Plan most recently filed and found adequate by the Commission.

Please do not hesitate to contact me with any questions. Thank you for your assistance with this matter.

Very Truly Yours,
