**Witness:** Charles R. Goodwin, Heather M. Tebbetts  
**Request from:** North American Power & Gas

**Question:**

Has PSNH ever reduced the amount of its return on rate base incorporated into PSNH default service rates, in a rate case or otherwise, to reflect payments made by CEPS for the Selection Charge, Billing and Payment Service Charge or Collections Service Charge? If so, please provide the amount of such reductions for each charge for each year from 2000 until the most recent year available along with a supporting citation to the relevant PSNH filing and the relevant Commission orders addressing such reduction.

**Response:**

Payments made by CEPS for the Selection Charge, Billing and Payment Service Charge and Collections Service Charge are credited to the distribution revenue requirement, thus reducing distribution rates for all customers. Please see PSNH's response to ENH-01, Q-ENH-001.
