Re: Delivery Service Tariff NHPUC No. 8 Effective August 1, 2014

Dear Ms. Howland:

In compliance with the Commission's Order No. 25,699 dated July 31, 2014 in Docket No. DE 12-295 (PNE Energy Supply, LLC d/b/a Power New England, Request for Review of Certain Tariff Charges of Public Service Company of New Hampshire), the following tariff pages are transmitted herewith:

NHPUC No. 8 - Electricity Delivery
Public Service of New Hampshire

1st Revised Pages 3, 32, 35 and 36

2nd Revised Page 33

Supplement No. 1
1st Revised Cover Page and Pages 1 - 4

Effective: August 1, 2014

In its order, the Commission approved changes to certain tariffed charges assessed to competitive energy service suppliers who take consolidated billing services from PSNH. Specifically, the Commission approved elimination of the Selection Charge and Collection Services Charge and a reduction in the Billing and Payment Service Charge to \$0.07 per bill rendered. As ordered by the Commission, PSNH will reconcile the temporary charges established by Order No. 25,626 with the permanent charges established in Order No. 25,699.

Please let us know if there are any questions concerning this filing. We are enclosing a black-lined version of the tariff pages as well as one signed original copy of all filing materials and three conformed copies. We request that one conformed copy bearing the Commission's date-of-receipt stamp be returned.

Very truly yours,

Lois B. Jones
Team Leader, Rates Department
