***Re: DT 12-308, Comcast Phone of New Hampshire, LLC and
Comcast IP Phone, LLC – Effect of SB 48 on VoIP and
IP-Enabled Services***

Dear Ms. Howland:

Enclosed for filing with the Commission in the above-captioned matter please find an original and seven (7) copies of Comcast's Motion for Rehearing. Comcast expressly reserves the right to supplement the enclosed Motion, if necessary, in light of the adoption of House Bill 542 yesterday by both the New Hampshire Senate and House of Representatives. That legislation expressly provides that VoIP and IP-enabled service providers are not public utilities under RSA 362:2 or excepted local exchange carriers under RSA 362:7 I(c).

Please let me know if there are any questions about this filing. Thank you for your assistance.

Very truly yours,

Susan S. Geiger
