**Summary of Experience**

### Introduction

For last 12 years assisted several national account customers manage their utility expenses. Customers which are assisted nationwide include Applebee's Restaurants, Burger King, Denny's, Extra Space Storage, and AMC Theatres. Annual utility spend for current customers exceeds \$600 million.

Key deregulated electric markets where assistance is provided include California, Texas, Illinois, New York, Pennsylvania, Maryland, and Massachusetts. Current role up till now has been as a contract employee. Now am looking to acquire a broker's license and work as an agent in these competitive markets. To date have received license in Illinois, Maine, Maryland, Massachusetts and Pennsylvania. Application pending in New Jersey.

Thirteen years of experience as a rate and public policy consultant to the electric and gas utility industry. An additional ten years of hands-on executive level operating and financial experience working for a major investor owned utility.

Areas of responsibilities and listing of key projects include the following:

- Utility Vice President of Rates, Finance, Sales, and Marketing
- Utility CFO responsible for financial management, billing, and accounts payable
- National Commercial Rate Expert
- Executive Level Utility Negotiator
- Launch of EnergyOne Competitive Retail Energy Strategy
- Energy restructuring presentations at numerous conferences and legislative reviews
- Launch of competitive retail energy competition in Pennsylvania
- Consulting engagements for over 100 electric and gas utilities
- Managed 30,000 customer commercial account base
