Re: DM 12-315, Union Atlantic Electricity  
Application to Register as Competitive Electric Power Supplier

Dear Mr. Ginn:

On October 25, 2012, the Commission received an application from Union Atlantic Electricity (Union) for registration as a competitive electric power supplier. *See* Puc 2003. Over the following months, Union twice received extensions of time to complete its application. The last extension expired on July 1, 2013. On July 24, 2013, with the application still incomplete, Staff recommended that the Commission reject Union's application without prejudice. By letter dated July 29, 2013, Union withdrew its application noting that Union had met all the requirements for registration "except for posting of financial assurance" which it expected to complete in August 2013

The Commission has accepted Union's withdrawal of its application without prejudice and closed Docket No. DM 12-315.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland  
Executive Director
