Re: *Northern New England Telephone Operations, LLC, d/b/a FairPoint Communications - NNE — Tariff Filing to Implement Certain Provisions of the Order on Remand, DT 12-337*

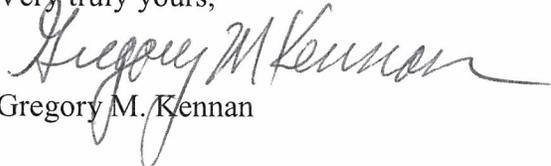

Dear Ms. Howland:

Enclosed for filing are the original and six copies of CANNE's Comments Supporting Extension of the Transition Periods for Reclassified Wire Centers.

Due to administrative problems, I am unable to deliver paper copies of this filing to the Commission today, and will send them by overnight delivery to arrive Monday. I will send electronic copies to the service list on Friday, June 28. All parties should receive the electronic copies no later than they otherwise would. Only the paper filing will be delayed. No prejudice will result. Mr. Wiesner and Mr. Malone indicated that they had no problem with his procedure. I thank them for their courtesy.

Thank you, and please contact me if you have any questions.

Very truly yours,

Gregory M. Kennan
