Re: DM 12-356, Notification of Usource, L.L.C's Intent to Provide Electric  
Aggregation Service

Dear Mr. Withka:

On December 17, 2012, Usource, LLC (Usource) filed an application for renewal of its registration as an electric aggregator. On January 14, 2013, Staff recommended that the current application be treated as an update to its registration inasmuch as Usource had renewed its application in 2011 (DM 10-328) and, according to the terms of its registration, Usource is not required to provide written notice on or before November 7, 2016 if it intends to continue to offer and provide electric aggregation service. Staff also recommended reimbursing the application fee of \$250.

Based on Staff's recommendation and the Commission's review, the Commission will treat Usource's December 17, 2012 filing as an update to its registration and will refund Usource's \$250 application fee. Inasmuch as no further action is required, the Commission has closed DM 12-356.

Sincerely,

Debra A. Howland  
Executive Director
