James,

Thank you for emailing me a copy of your certificate of authority. The first page is what we need to complete your application. Be sure to file a hard copy of that certificate with the Commission. Attach it to a cover letter and mail it to Debra Howland, Executive Director, New Hampshire Public Utilities Commission. The address is on the home page of our web site at www.puc.nh.gov. Be sure to reference in the cover letter that the attached certificate of authority is supplemental information that should be included with your gas aggregator registration application in docket number DM 13-026.

Additionally, it's not a bad idea to clearly reference the docket number again in a reference line of the letter.

As soon as it is filed officially, I will file a Staff Recommendation to approve your application. Please contact me directly if you have any questions.

Sincerely,
Bob Wyatt
