Re: DM 13-026, Supreme Energy, LLC  
Registration as a Natural Gas Aggregator

Dear Mr. Lamparelli:

On January 24, 2013, Supreme Energy, LLC (Supreme), filed with the Commission an application for registration as a natural gas aggregator, together with the application fee of \$250.00. Supreme submitted an updated certificate of authority from the New Hampshire Secretary of State on February 14, 2013.

Following its review of the filing, Commission Staff determined that the application for registration as a natural gas aggregator meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.04. On March 1, 2013, Staff filed its recommendation to approve the application. The Commission will approve the registration with an effective date of March 13, 2013. The registration will expire at the end of business on March 12, 2015.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Supreme, on or before January 12, 2015. Registration instructions and a checklist of requirements to properly file a renewal registration application are located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-Aggregator%20registration%20application%20instructions%20and%20checklist.pdf>.

All registered Natural Gas Aggregators in the State of New Hampshire are subject to specific requirements spelled out in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules can be found on our website at (<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>). Please be cognizant of these requirements going forward. If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,
