Re: Lakes Region Water Company, Inc.; DW 13-041

Dear Executive Director Howland:

I write to provide the Lakes Region Water Company, Inc.'s monthly status report in response to Order No. 25,578. Please note that this response reflects both February and March 2014. The February report was delayed due to significant on-going work on refinancing, tax and annual report preparation, and other matters. Once these items were completed, the Company elected to defer filing its report for February in order to include data for the month of March 2014, which data include material reductions to its tax liability and accounts payable. The Company apologizes for the omission of the February report and hopes that the Commission finds that the enclosed report for the month ending March 31, 2014 to be reflective of significant improvements in the Company's financial performance.

If you have any questions, please contact me.

Very truly yours,

Justin C. Richardson
