Re: DE 13-042, EcoLectric LLC's Request for Gilbert Sutcliffe to be Certified as an Independent Monitor Pursuant to Puc 2502.09

Dear Mr. Sutcliffe:

On February 04, 2013, EcoLectric LLC (EcoLectric) submitted an application on your behalf seeking certification for you to serve as an independent monitor for owners of customer-sited sources in New Hampshire that qualify for New Hampshire renewable energy certificates (RECs), pursuant to N. H. Code of Administrative Rules Puc 2505.09.

Staff has reviewed the application and believes it meets the requirements for certification inasmuch as you are currently licensed as a master electrician by the State of New Hampshire. Based on Staff's recommendation, the Commission has determined that your application meets the requirements for certification pursuant to New Hampshire Code of Administrative Rules, Puc 2505.09.

Additionally, please bear in mind that all independent monitors in the State of New Hampshire are subject to specific requirements spelled out in Puc 2505.09(h), (i), and (j). These rules can be found on our website at <http://www.puc.nh.gov/Regulatory/Rules/Puc2500.pdf>. If you have any questions regarding these provisions, please contact the Commission.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland  
Executive Director
