State of New Hampshire Public Utility Commission

Ms. Howland;

We are seeking a ruling from the Commission regarding the standing of Neighborhood Energy of New England LLC as an aggregator for electric and natural gas supply. Specifically, White Columns Office Solutions of New England LLC (WCOS) merged with Neighborhood Energy of New England LLC (NENE) effective November 1st, 2014 (see enclosed document from the State of New Hampshire Department of State Corporate Division).

The following is our understanding:

1. NENE's term as an electric aggregator ends on October 2nd, 2015 as noted in DM 13-259 in a letter dated October 3rd, 2013. WCOS's term as an electric aggregator ends February 5th, 2017 as noted in DM 12-087 in a letter dated May 24, 2012. Therefore, as a result of the merger, NENE's term is now extended to February 5th, 2017.
2. WCOS submitted a renewal of its registration as a natural gas aggregator on February 4, 2013 and was granted a term that expires on March 31, 2018 in DM 13-043. NENE has not filed an application as a natural gas aggregator however our records show that a letter was created on June 30th 2014 to the Commission requesting a transfer from WCOS to NENE. We cannot confirm if the letter was submitted or if we received a response from the Commission. Therefore, as a result of the merger, NENE is a natural gas aggregator with a term that expires on March 31, 2018.

It is with respect and appreciation that the Commission confirms that our understanding is accurate or clarifies the status of NENE on when the term expires as an electric aggregator and if it can assume the WCOS license as a natural gas aggregator.

Sincerely,

Tad A. Dziemian
Owner/Principal of Neighborhood Energy of New England LLC
