Educational and Professional Background

Al-Azad Iqbal

I am employed by the New Hampshire Public Utilities Commission (Commission) as a Utility Analyst. My business address is 21 S. Fruit Street, Suite 10, Concord New Hampshire, 03301.

I did my Bachelor degree in Architecture (B.Arch). Later I finished my Masters (MS) in Environmental Management and another Masters (MCRP) in City and Regional Planning. I was a Doctoral Candidate at City and Regional Planning, Ohio State University. After Joining PUC in 2007, I participated in several utility related training courses including Advanced Regulatory Study at Institute of Public Utilities, Michigan State University.

Prior to joining PUC, I was involved in teaching and research activities in different academic and research organization. Most of my research work is related to quantitative analysis of regional and environmental issues.
