Re: DA 13-067, Public Service Company of New Hampshire Affiliate Agreement with
Northeast Utilities Service Company

Dear Mr. Bersak:

On March 1, 2013, Public Service Company of New Hampshire (PSNH) entered into a Service Agreement effective January 1, 2013 with Northeast Utilities Service Company (NUSCO). On July 26, 2013, PSNH informed the Commission that certain revisions were required in the Agreement as a result of the inclusion of provisions that are no longer applicable. That revised Agreement was filed on August 6, 2013. On August 13, 2013, Staff filed a recommendation with the Commission stating that it had reviewed the contracts and that no further investigation is warranted at this time.

This letter serves as an acknowledgement that the National Grid Companies, pursuant to the requirements of RSA 366:3, have filed contracts between a public utility and an affiliate for the provision of services in exchange for compensation that exceeds \$500. This acknowledgement does not constitute approval of any rate or revenue requirement change that may be claimed as a result of the service provided for in the filed documents. As any issue that may arise under the contract may be addressed in another docket or through the opening of a new docket, the Commission will not open an investigation at this time under RSA 366:5 and has closed this docket. As you may be aware, any modifications of the contract must also be filed with the Commission pursuant to RSA 366:3.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".

Debra A. Howland
Executive Director
