**Re: DT 13-068; Supplemental Documentation to the Petition of Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (“FairPoint”) to Construct and Maintain Temporary Telecommunications Cables across a New Hampshire Railroad – Modified Exhibit A and Exhibit C**

Dear Ms. Howland:

As a result of recent feedback from the New Hampshire Public Utilities Commission Telecommunications Staff (“Staff”), FairPoint hereby submits a Modified Exhibit A as well as an Exhibit C to its petition filed on March 4, 2013 and later docketed in Docket No. DT 13-068.

To be clear, the Modified Exhibit A is a revision to the original Exhibit A filed on March 4, 2013. Exhibit C is submitted upon Staff’s request to provide the basis of the engineering calculations used. Enclosed is an original and six copies. Please return the copy of this filing marked “Receipt” with your stamp of receipt.

Please do not hesitate to contact me in the event that you should you have any questions, I can be reached at 603.656.8102.

Sincerely,

A handwritten signature in black ink, appearing to read "RPT" followed by a stylized flourish.
