**PETITION FOR APPROVAL OF DEFAULT SERVICE  
SOLICITATION AND PROPOSED DEFAULT SERVICE TARIFF**

Unitil Energy Systems, Inc., (“UES” or “Company”) submits this Petition  
requesting:

1) approval of the New Hampshire Public Utilities Commission (“Commission”) of UES’s solicitation and procurement of two contracts for Default Service (“DS”). The first contract is for 100 percent of medium (G2 and outdoor lighting) and large customer (G1) default service requirements for six months in duration, December 1, 2013, through May 31, 2014; the second contract is for 100 percent of small customer (residential) default service requirements for six months in duration, December 1, 2013, through May 31, 2014; and

2) approval of proposed tariffs incorporating the results of this solicitation into rates. As part of this request, and as discussed more fully below, UES seeks a final order granting the approvals requested herein no later than October 4, 2013. In support of its Petition, UES states the following:

**Petitioner**

UES is a New Hampshire corporation and public utility primarily engaged in the distribution of electricity in the capital and seacoast regions of New Hampshire.

**Background**

Pursuant to the terms of the Settlement Agreement approved by the Commission in NHPUC Order No. 24,511, and as modified by the approvals granted in subsequent

orders, including, most recently, Order No. 25,397, UES has solicited for DS power supplies for two contracts: The first contract is for 100 percent of medium and large customer default service requirements, six months in duration. The second contract is for 100 percent of small customer default service requirements for six months in duration. All contract deliveries will begin December 1, 2013. The solicitation process was conducted in accordance with the model schedule contained in the Settlement Agreement, as modified by the approvals granted in Order No. 25,397.

UES submits this Petition in compliance with the Settlement Agreement and orders issued in Docket No. DE 05-064 and subsequent related proceedings, and requests approval of the results of its most recent solicitation, as described more fully below and in the attached exhibits, and also requests approval of the tariffs included with this filing.

#### **Description of Exhibits**

Attached to this Petition are the following Exhibits:

Exhibit TMB-1: Testimony and Schedules of Todd M. Bohan.

Exhibit LSM-1: Testimony and Schedules of Linda S. McNamara.

#### **Solicitation Process and Selection of Winning Bidders**

UES submits that it has conducted the solicitation process, made its selection of the winning bidder and entered into a Power Supply Agreement in accordance with the representations set forth in its Petition submitted on April 1, 2005, as amended by the Settlement Agreement filed on August 11, 2005 and as approved by the Commission in its orders in Docket No. DE 05-064 and subsequent related dockets. Details of UES's

compliance in this regard are set forth in Exhibit TMB-1 and the Bid Evaluation Report attached as Schedule TMB-1 thereto. A copy of the RFP, redlined against the previous RFP issued by UES in DE 13-079, has been provided to Commission Staff and the Office of Consumer Advocate (“OCA”) by e-mail on September 27, 2013. A redline version of the final Power Supply Agreement with the winning bidder is provided in the confidential attachment labeled Tab A to Schedule TMB-1.

### **Bill Impacts**

Schedule LSM-7 provides typical bill impacts for its non-G1 customers associated with UES’s proposed DS rate changes for customers who do not choose a competitive supplier.

**Confidential Material**

UES requests protective treatment, pursuant to the procedures in Puc 201.06 and Puc 201.07, with respect to: Tab A of Exhibit TMB-1; Page 2 of Schedule LSM-2; and the e-mails exchanged with the Staff and the OCA on September 27 and 30, 2013, which contain confidential material. UES does not request confidential treatment of the identity of the winning bidders, which are provided in the cover letter and also in the public pre-filed testimony of Mr. Bohan in Exhibit TMB, accompanying this Petition.

**Request for Approvals**

1. FIND that UES has followed the solicitation process approved by the Commission;
2. FIND that UES's analysis of the bids submitted was reasonable;
3. FIND that UES has supplied a reasonable rationale for its choice of supplier.
4. CONCLUDE that, based upon the above Findings, the power supply costs which result from the solicitation are reasonable;
5. CONCLUDE that, based upon the above Findings and Conclusion that the power supply costs which result from the solicitation are reasonable, and subject to the ongoing obligation of UES to act prudently, according to law and in conformity with Commission orders, the amounts payable to the seller for power

supply costs under the power supply agreements for G1 and non-G1 customers are approved for inclusion in retail rates beginning December 1, 2013.

6. GRANT APPROVAL of the tariff changes requested herein.
7. GRANT APPROVAL of the request for Protective Treatment of the designated confidential material pursuant to Puc 201.06 and Puc 201.07.
