**Re: Docket No. DE 13-079**

Dear Secretary Howland:

As part of its default service filings, Unitil Energy Systems, Inc. ("UES" or "Company") files with the Commission a "Customer Migration Report" (the "Report") which provides information by customer class concerning the number of customers and load that has moved from default service to third party retail supply.<sup>1</sup> Among various matters discussed during the Technical Session in docket DE 12-097, held on Friday, April 26, 2013, the Commission Staff and the Office of Consumer Advocate recommended that UES continue to file the Report on a quarterly basis, even though the Company's default service filings are now on a semi-annual basis. The Company believes that the recommendation has merit and is reasonable, and hereby notifies the Commission that its Customer Migration Report will continue to be filed on a quarterly basis in the Company's default service dockets.

Thank you for your attention to this matter.

Sincerely,

Gary Epler  
Attorney for Unitil Energy Systems, Inc.
