**Re: Unitil Energy Systems, Inc.**  
**Docket No. DE 13-079; Compliance Tariffs**

Dear Secretary Howland:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed please find an original and six (6) copies of the following tariff pages, filed in compliance with NHPUC Order No. 25,491 in the above referenced proceeding:

**NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.**

Twenty-Second Revised Page 6, Summary of Low-Income Electric Assistance Program Discounts  
Fourteenth Revised Page 74, Calculation of the Default Service Charge [Non-G1 Class]  
Twenty-Fifth Revised Page 75, Calculation of the Default Service Charge [G1 Class]  
Fifth Revised Page 108, Renewable Source Option, Schedule RSO

Page 6, Summary of Low-Income Electric Assistance Program Discounts, has also been included with this filing in redline format. Modification to this page was necessitated due to customers who qualify for these discounts moving to competitive supply. Additional columns have been added to this page to show the discount levels associated with customers who are placed on variable default service and for customers who do not take default service supply through UES.

Thank you for your attention to this matter.

Sincerely,

Karen M. Asbury  
Director, Regulatory Services
