Re: Service Agreements—New England Power Company/New England Hydro-Transmission Corporation/New England Electric Transmission Corporation

Dear Ms. Howland:

Effective as of November 5, 2012, New England Power Company, New England Hydro-Transmission Corporation, and New England Electric Transmission Corporation along with certain other affiliates of National Grid USA entered into a Service Agreement with National Grid Engineering & Survey Inc. as well as a second Service Agreement with National Grid USA Service Company, Inc. to which other National Grid USA affiliates are also parties and contemporaneously terminated their participation in a Service Agreement dated October 1, 2007 with National Grid Engineering & Survey Inc. and other affiliates. As a result of an oversight, the foregoing documents were not filed with the Commission promptly after their execution. Please accept the enclosed filing of seven copies of the two new Service Agreements along with the document that terminates the 2007 Service Agreement in compliance with the requirement of RSA 366:3.

Please let me know if you need any additional information regarding this matter.

Sincerely,

Steven V. Camerino
