To whom it may concern:

Attached is our application and \$250 filing fee for a license as an electricity aggregator in New Hampshire. Better Cost Control, LLC has been in the electricity brokering business since 2002 and is licensed in over ten states.

Applicant is in compliance with 2003.04 (a) , (b) and (d) and has included an original and two copies of our application. An electronic copy has been enclosed as a CD.

I do not see mention of a filing fee on the information form. Please advise, since I would expect there to be a filing fee. My email is sgarson@bettercostcontrol.com .

If you have any questions, please do not hesitate to call or email.

Sincerely,

A handwritten signature in black ink that reads "Steve Garson". The signature is fluid and cursive.
