Re: DE 13-108 – Public Service Company of New Hampshire
Reconciliation of 2012 Energy Service and Stranded Cost Charges
Request for Revision to Procedural Schedule

Dear Ms. Howland:

In Order No. 25,540 (July 9, 2013) the Commission, among other things, approved a procedural schedule for the above proceeding. That schedule included a date of November 15, 2013 for the filing of testimony by Staff, the Office of Consumer Advocate and intervenors, followed by discovery on that testimony due by November 25, 2013. Staff hereby requests modification to the procedural schedule as follows:

Staff/OCA/Intervenor Testimony	November 20, 2013 (rather than November 15)
Data Requests	November 27, 2013 (rather than November 25)

All subsequent dates in the original schedule, including the provision of responses to data requests by December 9, 2013, would remain intact. Staff has consulted with the parties to the docket and reports that all parties concur with this request. Staff respectfully requests that the Commission modify the schedule as set forth above. Please let me know if you have any questions.

I certify that a copy of this letter will be served electronically on the parties to the docket at the same time it is filed with the Commission.

Sincerely,

Steven E. Mullen
Assistant Director – Electric Division
