**Re: Amendment No. 3 to Interconnection Agreement with Sprint Spectrum L.P.**

Dear Ms. Howland:

Enclosed for filing under Section 252(e) of the Telecommunications Act of 1996 is Amendment No. 3 to the Interconnection Agreement between Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (“FairPoint”) and Sprint Spectrum L.P. (“Sprint PCS”).

This amendment provides a change of law provision consistent with the Federal Communications Commission’s (“FCC’s”) Order released November 18, 2011<sup>1</sup>. This amendment allows Sprint PCS to apply bill-and-keep reciprocal compensation arrangements to all intra Major Trading Area traffic between the Parties pursuant to that FCC Order.

Please let me know if you have any questions. And please return the copy of this filing marked “Duplicate” with your stamp of receipt.

Sincerely,

*Ryan P. Taylor*
