Re: DT 13-141: TNCI Operating Company (TNCI-OpCo) CLEC and CTP applications

Dear Ms. Kiddoo and Mr. Ferenchak:

There are two issues with the submission that do not allow us to complete a review:

1. Neither application form (CLEC-10 and CTP-10) is signed, dated, and notarized. Mr. Compton signed each but did not date the signature, and the notary stamp appears on a separate sheet of paper. This does not meet our registration requirements (see Puc 449.07(l) and 449.07(m)).
2. There is no Certificate of Authority from the New Hampshire Secretary of State's office. Instead, you have provided a copy of your application for certification. We require a copy of the certificate once issued (see 449.07(g)).

Until these items are corrected by a revised submission, Staff does not consider this to be a complete filing. Your choice to not provide a rate schedule will not be a problem.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael C. Ladam".
