New Hampshire Public Utilities Commission
Debra Howland, Executive Director
21 South Fruit Street, Suite 10
Concord, NH 03301-2429

Dear Ms. Howland:

Pursuant to New Hampshire Code of Administrative Rules, Public Utilities Commission 2000, please accept this filing made on behalf of 5LINX Enterprises, Inc. ("5LINX") to register as an aggregator in the State of New Hampshire. The relevant registration fee is also enclosed.

5LINX is a direct sales organization that works with licensed electric suppliers to educate consumers on the freedom of choice provided through deregulation and provide a pathway to obtain a competitive supply offer from suppliers with whom 5LinX will be working.

5LINX will be serving residential and small business customers where deregulated areas are active. 5LINX customers will be directed to a website where there will be various offers from licensed electric suppliers. A customer seeking to switch to competitive supply can complete an online form to register with the supplier of their choice. 5LINX will not be supplying the energy; the supplier will be responsible for all order processes.

Please contact me with any questions or if you require further information. Thank you in advance for your consideration.

Very truly yours,

Jillian D. Kasow
