RE: DE 13-167, Public Service Company of New Hampshire  
Transmission Cost Adjustment Mechanism

Dear Director Howland:

Enclosed for filing is an original and six copies of the testimony of Michael L. Shelnitz containing a sample calculation of the average Transmission Cost Adjustment Mechanism rate to be applied on and after July 1, 2013, as well as the testimony of Stephen R. Hall containing calculations of the actual charges for each class of customers. PSNH currently estimates that there will be an increase in the average rate from the current 1.359 cents/kWh to 1.714 cents/kWh.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum  
Counsel
