**RE: CEPS Initial Registration Application for  
XOOM Energy New Hampshire, LLC**

Dear Ms. Howland,

Pursuant to Puc 2003.1 – Registration of Competitive Electric Suppliers (“CEPS”), XOOM Energy New Hampshire, LLC (“XOOM Energy New Hampshire”) is hereby filing an original and two copies of its CEPS application to begin retail electricity supply in New Hampshire as required in Puc 2006.1. I am also sending an electronic copy of the application to the Executive Director and Secretary in accordance with Puc 2003.01(a).

Also, XOOM Energy New Hampshire is filing a Motion for Protective Order concerning Attachment E of the Application. Because XOOM Energy New Hampshire is seeking confidential treatment of Attachment E of the Application, we are filing this portion of the application under seal. Additionally, XOOM Energy New Hampshire is submitting an original redacted version and six confidential copies in accordance with Puc 203.02. I am also sending an electronic copy of the motion along with one original redacted copy and one confidential copy to the Executive Director and the Office of Consumer Advocacy.

Please note that XOOM Energy New Hampshire will be using an outside vendor, PPL Solutions, for back office and customer fulfillments services. Both XOOM Energy New Hampshire and PPL Solutions have complied with the training and testing requirements for electronic data exchange as required in Puc 2003.01(d)(1). We have included the required proof for XOOM Energy New Hampshire in Attachment D but will send you the required proof for PPL under a separate cover.

Also, in regards to Puc 2003.01 (d)(4) Evidence of Financial Security, XOOM Energy New Hampshire is providing a Letter of Credit that has already been sent by Wells Fargo to the Commission and was received on June 25, 2013. A copy of the Letter of Credit can be found in Attachment G of the CEPS application. XOOM Energy New Hampshire is respectfully requesting that the Commission grant a waiver modifying the requirement that the expiration date be 5 years and 150 days from the date the application is filed (Puc 2003.03(a)(5)). While XOOM Energy New Hampshire's Letter of Credit states that it expires on June 21, 2014, it is deemed automatically extended for one year periods until January 1, 2019. Accordingly, the Letter of Credit still satisfies the required financial security for this CEPS application.

Please also find enclosed a check in the amount of \$500.00 for the registration fee (Puc 2003.01(d)(3)).

Please call me at 704-274-1435 with questions. Thanks in advance.

Regards,
