Competitive Electric Power Supplier Application  
Deficiency Letter

Dear Ms. Kueffner:

On July 2, 2013, XOOM Energy New Hampshire, LLC submitted an application with the Commission to register as a competitive electric power supplier (CEPS). The application is incomplete and does not comply with the requirements of N.H. Code Admin. Rule Puc 2003. In particular, Staff of the Commission reviewed the filing and identified the following items which are missing from the application.

- 1) Certificate from the Secretary of State showing that the applicant is authorized to do business in New Hampshire is missing.

*Puc 2006.01 Form for Initial and Renewal of Competitive Electric Power Suppliers.*

*(9) A copy of the applicant's authorization to do business in New Hampshire from the secretary of state, if anything other than an individual.*

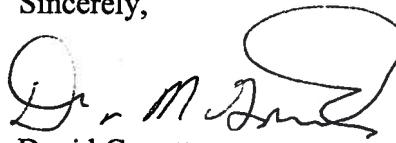

- 2) Proof of financial surety with an expiration date not less than 5 years and 150 days after the initial application is filed.

*Puc 2003.01(d)(4) Evidence of financial surety, as defined in Puc 2003.03.*

Regarding item #2, the Commission has received filing of a letter of credit and request for a waiver of the requirement for a security with a term of 5 years and 150 days after the initial application is filed.

In order to complete your application you should respond accordingly to the request in item #1. When responding, address your letter to Debra Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "D. M. Goyette", with a large, stylized flourish at the end.
