Re: Dominion Retail, Inc. d/b/a Dominion Energy Solutions ("Dominion")  
Docket No. DM 13-188; Competitive Electric Power Supplier Application;  
Response to November 13, 2013 Request of David Goyette

Dear Ms. Howland:

On July 8, 2013 Dominion submitted its competitive electric power supplier application ("the Application") with the New Hampshire Public Utilities Commission. On November 13, 2013, an e-mail was received from David Goyette at the New Hampshire Public Utilities Commission.

In his e-mail, Mr. Goyette requested that several corrections be made to Dominion's customer contracts. The changes included listing Dominion's e-mail address, listing information on where to locate social service agencies, and changing references made to Granite State Electric to Liberty Utilities. Enclosed, for your consideration, are revised contracts which incorporate the requested changes.

In addition, Mr. Goyette requested a status update on Dominion's EDI testing. Please be advised that Dominion Retail is scheduled to begin EDI testing on November 25, 2013. It is anticipated that testing could take up to 6 weeks to complete. Once testing has been completed, we will submit confirmation to you.

Sincerely,

A handwritten signature in blue ink that reads "Gary A. Jeffries".
