Dear Director Howland:

Unitil Energy Systems, Inc. ("Unitil") hereby files with the Commission one copy (1) of a revised monthly EAP report for the month of August 2014. On September 11, 2014 Unitil filed its monthly EAP report. Subsequently, Unitil discovered that the monthly costs were not accurately recorded in Attachment A. Unitil has corrected that error in this revision. Unitil is filing this report electronically in accordance with the Commission's Electronic Report Filing program.

The monthly report contains three attachments:

Attachment A – Provides the System Benefits Charge Reconciliation Report for the monthly reporting period showing the amount of funds owed to or from Unitil. As shown in this revision, the EAP costs for the period reflect a payment of \$110.75 for Incremental Administrative Costs. In the September 11 filing these costs were included in the Payments to Community Action Programs. There is no change to the balance owed to the State of NH in the amount of \$55,137.98. That sum has been paid.;

Attachment B – Provides the number of active participants enrolled in the program;

Attachment C – Provides the residential aging report and the program participant aging report.

Unitil continues to recover its program administrative costs on an ongoing basis. The reporting requirements with the Program Administrator, the Community Action Agency, and Consumer Advocate are being fulfilled by electronic communication.

Thank you for your attention to this matter.

Very truly yours,

A handwritten signature in blue ink that reads "Karen M. Asbury".
