Re: Application of Ice House Partners, Inc. Project for Certification as a New
Hampshire Class I Energy Source; Docket No. DE 13-214

Dear Ms. Howland:

Per a conversation with Barbara Bernstein, attached please find evidence of demonstrated completion of capital investments attributable to the efficiency improvements, additions of capacity, or increased renewable energy output that are sufficient to, were intended to, and can be demonstrated to increase annual renewable electricity output at the Ice House Partners, Inc. Project after December 31, 2005. Given the commercially sensitive nature of this information, Ice House Partners, Inc. requests that this information be given confidential treatment by the Commission and that it neither be posted to the Commission's website nor made available to the public by review of the Commission's files for the Project in Concord.

Upon your review of this information, if you have any questions on comments, please do not hesitate to contact either Liisa Grady Marino or myself.

Sincerely yours,
