Ken,

This is a follow-up to the voicemail I left you today. It has come to my attention that Technology Resource is not registered with the NH Secretary of State. I called the SOS office and was told that Technology Resource does not appear in its system because it did not file a 2013 annual report. The SOS website shows that your company's status is "Admin. Suspension."

Please contact me regarding this issue as soon as possible.

Thank you.
