Re: DM 13-234, Technology Resource Solution, Inc.
Application to Register as Provider of Electric Aggregation Service

Dear Mr. Rowen:

On August 8, 2013, Technology Resource Solution, Inc. (Technology Resource) submitted an application with the Commission to register as a provider of electric aggregation service. On October 7, 2013, Technology Resource filed additional information for its application. Staff reviewed the application and determined that it is complete.

The Commission approves your application to register as a provider of electric aggregation service, effective October 9, 2013. The registration is for a term of 2 years and expires at the end of business on October 8, 2015. Pursuant to N.H. Code Admin. Rule Puc 2003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before August 10, 2015.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>. Please also be aware that the Commission has opened Docket DRM 13-151 to consider revisions to these rules. All non-confidential filings in Docket DRM 13-151 can be found at <http://www.puc.nh.gov/Regulatory/Docketbk/2013/13-151.html>. The revised rules may contain different requirements for maintaining registration as a provider of electric aggregation service that might affect your registration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Debra A. Howland'.

Debra A. Howland
Executive Secretary
