Re: DE 13-235, Independent Monitor Certification Request from Wilson Engineering Services on Behalf of Daniel A. Wilson, P.E. Pursuant to Puc 2502.09

Dear Mr. Wilson:

On August 13, 2013, the Commission received an application from Wilson Engineering Services, requesting the certification of Daniel A. Wilson to serve as an independent monitor for owners of customer-sited sources in New Hampshire that qualify for New Hampshire renewable energy certificates (RECs), pursuant to N. H. Code of Administrative Rules Puc 2505.09.

Staff has reviewed the application and believes it meets the requirements for certification inasmuch as you are currently licensed as a professional engineer by the State of New Hampshire. Based on Staff's recommendation, the Commission has determined that your application meets the requirements for certification pursuant to N.H. Code Admin. Rules Puc 2505.09.

Additionally, please bear in mind that all independent monitors in the State of New Hampshire are subject to specific requirements spelled out in Puc 2505.09(h), (i), and (j). These rules can be found on our website at <http://www.puc.state.nh.us/Regulatory/Rules/Puc2500.pdf>. If you have any questions regarding these provisions, please contact the Commission.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
