Re: DRM 13-238 Puc 1600 Rules for Tariffs and Special Contracts
JLCAR Conditional Approval of Puc 1600 Final Proposal

Dear Ms. Howland:

Attached please find for filing, notice from the Office of Legislative Services that the Joint Legislative Committee on Administrative Rules (JLCAR) voted to conditionally approve the Puc 1600 Final Proposal.

The next step for the Commission is to adopt the conditionally-approved rules. The difference between the Final Proposal previously adopted by the Commission and the present conditionally-approved Final Proposal is that the requirement for 3-hole punched copies of tariffs has been stricken from Puc 1603.01(a)(2). Staff felt this requirement was a relic of pre-electronic filing and thus was unnecessary. Once the Commission has adopted the rules, the Commission must file the rules with Office of Legislative Services within seven days of the adoption.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Brown".

Staff Attorney
