Re: Notice No. 2013-124, Puc 1600 Rules for Tariffs and Special Contacts
NHPUC Docket No. DRM 13-238
Conditional Approval Response

Dear Attorney Eaton:

On January 17, 2014, the Joint Legislative Committee on Administrative Rules (Committee) voted to conditionally approve Final Proposal 2013-124 from the Public Utilities Commission (Commission) relative to the Puc 1600 rules for tariffs and special contracts. Legislative Services Staff provided the Commission with a mark-up of the change the Committee approved to Puc 1603.01(a)(2). That change deleted the requirement that tariffs be filed with 3-hole punches in the left hand margin. The Commission voted to accept the Committee's conditional approval at a public hearing held on Friday, February 7, 2014.

The attached Conditional Approval Response, annotated and fixed-text, includes the Committee's approved change; there are no other changes to the rules. At this time, the Commission requests the Office of Legislative Services review the attached rules and certify that the rules have been amended in accordance with the conditional approval and RSA 541-A:13, V(a). After the Commission receives the certification, the Commission will proceed with adopting the rules. Thank you in advance for your assistance with these rules. Please do not hesitate to contact either Staff Attorney Marcia A. Brown or myself if you have any questions.

Sincerely,

Amy L. Ignatius
Chairman
