SUBJECT: DM 13-246 Union Atlantic Electricity
Request to Expand Service Area
TO: Commission
Debra Howland, Executive Director

On September 15, 2014, Union Atlantic Electricity (Union Atlantic), a competitive electric power supplier currently authorized to operate only in the franchise areas of Public Service Company of New Hampshire and New Hampshire Electric Cooperative, filed a request to expand its service territory to include the franchise area of Liberty Utilities. Union Atlantic provided a copy of a certificate demonstrating that it had completed electronic data interchange (EDI) testing with Liberty Utilities.

Staff reviewed the information in the request and believes Union Atlantic's filing meets the requirements to extend its service territory into the franchise area of Liberty Utilities. Staff, therefore, recommends that the Commission approve Union Atlantic's request to include the franchise area of Liberty Utilities in its service territory.
