RE: DE 13-XXX, Public Service Company of New Hampshire  
Petition to Amend Rate EOL to Include Light Emitting Diode Technology

Dear Ms. Howland:

On behalf of Public Service Company of New Hampshire ("PSNH"), I enclose for filing with the Commission an original and six copies of a Petition to Amend Rate EOL to Include Light Emitting Diode Technology, and the testimony of Charles R. Goodwin describing the changes PSNH is proposing to Rate EOL. PSNH is requesting that, to the degree possible, the Commission issue an order on PSNH's request on or by December 1, 2013 so that PSNH may implement the changes on January 1, 2014.

Thank you for your assistance with this matter. If you have any questions about this matter, please do not hesitate to contact me.

Very truly yours,

Matthew J. Fossum
