Re: DE 13-248, Public Service Company of New Hampshire  
Petition to Amend Rate EOL to Include Light Emitting Diode Technology  
Joint Request to Approve Settlement and Revised Rate – Missing Attachment

Dear Director Howland:

On July 1, 2014, Public Service Company of New Hampshire (“PSNH”) submitted a set of documents in the above-referenced docket which included the testimony of Charles R. Goodwin. That testimony references an attachment (“Attachment 1”) containing certain illustrative savings information. That attachment was inadvertently omitted from the submission. Accordingly, included with this letter is the attachment to Mr. Goodwin’s testimony. I apologize for the oversight.

Thank you for your assistance with this matter. If you have any questions about this matter, please do not hesitate to contact me.

Very truly yours,

Matthew J. Fossum
