Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 13-257  
December 2013 Monthly Cost of Gas Report – Corrected Tariff Page

Dear Director Howland:

Northern Utilities Inc. (“Northern”) hereby submits an original and one copy of the following corrected tariff page:

Supplement No. 2, Second Revised Page 3.

This tariff page was initially submitted in Northern’s December 24, 2013 Monthly Cost of Gas report. However, it was subsequently determined that the tariff page contained an error. The change to Supplement No. 2, Second Revised Page 3 now provides the correct block usage for rate class G 51. This change also applies to the included red-lined version of this tariff page.

If you have any questions regarding this filing, please do not hesitate to contact me or Chris Kahl at (603)773-6425.

Very truly yours,

George H. Simmons Jr. *CAK*
