## Groom Energy Solutions, LLC

September 23, 2013

New Hampshire Public Utilities Commission  
Debra Howland, Executive Director  
21 South Fruit Street, Suite 10  
Concord, N.H. 03301-2429

To Whom It May Concern:

Contained herein is Groom Energy Solutions, LLC's initial registration application to become an Electric Aggregator in New Hampshire. The attached written notice matches the form specified in PUC 2006.02. No customer enrollments have occurred prior to this notification. The original, 2 copies of the notification and an electronic copy of the notification on CD are included. The initial registration fee of \$250.00 is included as well.

Over the previous years, Groom Energy has provided energy efficiency services to many commercial and industrial customers within New Hampshire. Groom Energy now looks to include commodity procurement among the wide-ranging energy-related services it offers clients. This expanded service has already begun in neighboring Massachusetts, where Groom Energy is a licensed electric broker.

We look forward to continuing to help your state's businesses save on their energy costs.

Thank you for your time and consideration.

Sincerely,
